About the Conference

The conference on "Excellence in Higher Education: Leading with Vision and Impact" is specifically designed for principals of colleges, recognizing their pivotal role in shaping the future of education. As the key drivers of academic institutions, principals are responsible for fostering a culture of excellence, innovation, and quality that aligns with global educational standards. This conference aims to empower them with the knowledge, tools, and strategies needed to lead their institutions effectively in a rapidly evolving educational landscape.

Key Objectives

The conference will focus on the theme of visionary leadership, emphasizing how principals can set a strategic direction for their colleges, inspire their faculty and staff, and drive meaningful change. It will provide insights into best practices for implementing cutting-edge teaching methodologies, integrating digital tools, and fostering a student-centered learning environment. Moreover, discussions will address the importance of research, industry collaboration, and community engagement as vital components of a modern educational institution.

Themes and Sessions

The event will feature a series of keynote addresses, panel discussions, and interactive workshops, led by renowned education leaders, policymakers, and industry experts. Sessions will cover diverse topics such as:

- Visionary Leadership in Higher Education
- Cultural Competence and Diversity in Academia
- The Role of Humanities in shaping Educational Values
- Religion and Ethics in Higher Education
- Engaging Communities: The Social Responsibility of Education
- Innovation in Academic Administration
- Role of Quality Assurance in Governance
- Role of Ranking, Assessment and Accreditation in Higher education
- SDG and Higher Education Learning
- Vikshit Bharat@ 2047: strategies for self Reliance
- NEP 2020 Implementation: challenges and strategies

The conference will serve as a valuable platform for principals to network with peers, share experiences, and explore collaborative opportunities. It will enable them to exchange ideas, discuss challenges, and find practical solutions to common issues faced by educational institutions.

Ultimately, the conference aims to equip college principals with the skills and insights needed to lead their institutions toward a future of excellence, making a positive and lasting impact on the academic community and society at large.

About Udayana University (Universitas Udayana or UNUD)

Udayana University (Universitas Udayana or UNUD) was legally established on August 17, 1962, and is the oldest state university in the Bali Province area. Previously, since September 29, 1958, in Bali a faculty called the Udayana Literature Faculty was established as a branch of Airlangga University Surabaya. Unud's motto is "Taki takining sewaka guna widya", which means seriously devoting oneself to virtue and science.. The forerunner of Udayana University (Unud) was the Udayana Faculty of Letters branch of Airlangga University which P. J. M. President of the Republic of Indonesia Ir inaugurated. Soekarno, opened by J. M. Minister P.P and K. Prof. DR. Prijono on September 29 1958 as written on the inscription at the Faculty of Letters on Jalan Nias Denpasar. The Faculty of Letters was founded on the Nusa Tenggara Faculties Foundation initiative, which was known by Lt. Col. Minggoe and Deputy Chair I, Governor of Lesser Sunda, Teuku Mochamad Daoedsjah. This foundation collaborates with people who have special expertise in the field of literature, such as Dr. R. Goris, Dr. Ida Bagus Mantra and I Gusti Ketut Ranuh. These figures, apart from preparing things related to the physical aspect, also act as liaisons, to find people who will become lecturers (teaching staff), especially people who will become leaders of the Faculty that will be formed. The person who was successfully contacted, who will become the leader, is Prof. Dr. R.M. Ng. Poerbatjaraka, who at that time was Dean of the Faculty of Letters and Culture, Gadjah Mada University. The university's vision stated in the 2017 statute is becoming an excellent, self-reliance and culture-oriented university

About The Association of Indian College Principals (AICP)

The Association was registered with the Charity Commissioner, Bombay, under the Societies Registration Act,1860 & the Public Trust Act, 1950 with the registered Office C/o Kandivali Education Society's College, Bhulabhai Desai Road, Kandivali(West),Mumbai-400 067. It is the first registered organization of College Principals at the national level. The Association believes in open and transparent system of working. The uniqueness of this organization is that its membership is offered to the Principal and not to the institution. That is the Principal continues to be its member as long as he or she is in service and avails the privileges of membership. We hope this Association would emerge as an effective national organization to take up common issues and problems affecting the institutions of higher learning and influence decision making and policy formulation in the field of higher education.

About Grand Academic Portal

Grand Academic Portal (Gyan- Adhyayan- Parampara) is an initiative started by academicians to provide a supplementary and complementary element to the existing formal higher education system in India. The founders have collectively envisioned a platform to provide an innovative, free, equal, equitable, collaborative, sustainable, and all-inclusive teaching-learning pedagogy environment to all the stakeholders of higher education in India. GAP has a presence in more than 25 states of India growing its popularity very fast in foreign countries also. Grand Academic Portal (GAP) is a network group functioning in the field of Higher education in India. It is a platform, having more than one thousand direct and indirect stakeholders who are the professors, faculty members, researchers, industry patrons, lawyers and other highly esteemed professionals from India and abroad. GAP is operational in many areas of higher education like research, consultancy, publication of books and journals, project management, resource mobilization, faculty development and training and mentoring. There are many sub-bodies under the umbrella of GAP like ISAC (International Society for Applied Commerce) which are catering to these individual verticals.
